City Centre Management Group

Purpose

To set up a partnership vision and strategy linked to the DCP 2020 Vision, for a prosperous, successful commercial centre as the economic heart of Derby and then oversee its delivery in a timely, cost-effective and creative manner. This vision will capture the following key elements:

A gradual but steady expansion of the city centre's range of services, facilities and activities for all who choose to use it, by day and night, and seven days a week

Good accessibility

A safe and secure environment

A clean, attractive and appealing centre

Jobs and Skills Group

Purpose

The group will contribute to two of the three key ambitions of the City Growth Vision:

To build Derby's portfolio of higher value, knowledge based employment

To energise all of Derby's communities, capturing their full economic potential

This will support the third ambition which is to ensure Derby is a location of choice for the most able and talented, attracting and retaining creative imaginative and forward thinking people.

The group will work closely with key clusters to assess the current and future skills of the local labour market and enable partners to plan more effectively to meet them.

Learning for Living Group

Purpose

Improve the quality of life by encouraging individuals, groups and communities, particularly those who have been under represented in the past, to take up personal development learning opportunities.

Communicate the benefits and value that personal development learning brings to individuals, organisations and communities.

Support a wide range of informal learning opportunities that contribute to PCDL in Derby's communities.
