

ERDF URBAN II funding – The Spirit of Normanton Action Plan

Vision

The vision behind the Normanton URBAN II Programme was to “**stop the spiral of decline and to work to make Normanton a dynamic, attractive local community at the centre of the City of Derby**”

The programmes strategy was underpinned by five objectives:

- to increase the confidence, abilities and life chances of local people
- to increase local business development and competitiveness
- to protect and enhance the quality of the local environment
- to support inclusive participation
- to promote and celebrate Normanton

These objectives were addressed through four priorities:

- Priority 1: Our Work and Lives
- Priority 2: Protecting and Developing our Diverse Environment
- Priority 3: Owning, Celebrating and Developing our Community
- Priority 4: Building Capacity for Active and Inclusive Participation

The Spirit of Normanton Action Plan successfully implemented a robust infrastructure to support the local area, community and residents in achieving the above objectives and priorities.
