

# What are your business needs?

Derby City Partnership

- Recruiting and retaining highly skilled staff?
- Tackling business crime?
- Meeting environmental responsibilities?
- Influencing your local public services?
- Dealing with sickness in the workforce?
- Accessing funding for development?
- Contributing to your local community?
- Extending your local contacts and raising your business profile?

# Business involvement in Derby City Partnership

## Meet your business needs

By working directly with Derby City Partnership, you could be helping to meet many of your business needs and improving your bottom line by:

- expanding your networks
- influencing public services and facilities
- raising your profile
- having your voice heard.

## What is Derby City Partnership?

Derby City Partnership is a body that works to create a safe, healthy, prosperous and sustainable future for the people of Derby through shared vision and leadership. Our members include:

- public services
- businesses
- community and voluntary groups
- individuals who live or work in Derby.

Derby City Partnership was set up in 1995 and has achieved real success in creating change and improvement in the city.

## How could you get involved?

You could be a business that supports our activities in a wide number of ways such as:

- become a member of one of our groups
- sponsor a project or voluntary organisation
- offer secondments to share skills
- respond to consultation
- support Marketing Derby to raise the profile of the city.
