Celebrating partnership in the city

Derby City Partnership Week 2004 Monday 28 June – Saturday 3 July

Derby City Partnership Week 2004 is bigger and better than ever! With festivals, guided walks, behind the scenes tours, fun days, exhibitions, workshops and conferences there is something for everyone - you will be surprised at the variety and better still, most are free.

If you want information, advice, contacts or an opportunity to express your view or if your interest is debating, digging, drumming or dancing – give it a go and discover what members of Derby City Partnership are doing in the city.

The programme reflects the work of Derby City Partnership's members and their main themes – learning, opportunity, culture, environment, prosperity, regeneration and neighbourhood renewal. Events highlight what is being done in the city to create a better Derby by organisations and communities working in partnership. The main event for Derby City Partnership, on Thursday 1 July, is the review of what we have achieved under each of those themes over the past year.

Come and enjoy the week with us – for one event or as many as you can! This year's programme has been designed to make it easier for you to plan which events to enjoy. Put the dates in your diary – Monday 28 June – Saturday 3 July and if you haven't received a programme yet, contact Derby City Partnership for a copy, or look on the website www.derbyes.co.uk
